

Package ‘treesitter.c’

December 10, 2025

Title 'R' Bindings to the 'C' Grammar for Tree-Sitter

Version 0.0.1

Description Provides bindings to a 'C' grammar for Tree-sitter, to be used alongside the 'treesitter' package. Tree-sitter builds concrete syntax trees for source files and can efficiently update them as files are edited.

License GPL-3

Depends R (>= 4.3.0)

Imports treesitter

Suggests testthat (>= 3.0.0)

Encoding UTF-8

RoxygenNote 7.3.3
