---

lisa_palette *Call or modify lisa palettes*

Description

Call or modify lisa palettes

Usage

```
lisa_palette(name, n, type = c("discrete", "continuous"))
```

Arguments

name	Name of desired palette. See `names(lisa)`.
n	Number of colors desired.
type	Either "continuous" or "discrete". Use continuous if you want to automatically interpolate between colors.

Value

A vector of colors.

Examples

```
lisa_palette(name = "Prince", n = 10, type = "continuous")
lisa_palette("PabloPicasso", 2, "discrete")
```
